In an emergency, the Market Manager will contact the Business owner who will contact their stall holder.

Weekly Stall FEE is anticipated to be \$52 per week. There is no application fee.

I request permission to sell products at the BMFM certified farmers' market which I manufacture (practice the culinary art of producing the product I offer for sale that changes the form and substance of raw products). I will not resell products at the market. I will receive a copy of the 2019 BMFM Market Rules & Regulations upon stall confirmation. I agree to observe and obey the terms and conditions set forth in the 2019 BMFM Market Rules and Regulations and BMFM Notices that are periodically issued. I agree to abide by the due process and grievance/claim policies and procedures outlined in the 2019 BMFM Market Rules & Regulations. I agree to abide by the terms and conditions set forth in the enclosed Participation Agreement as indicated by my signature below and my signature located on the Participation Agreement on the reverse side. I agree to cooperate with the market manager, pay the required fees, and submit a legible, complete and accurate load list(s) at the end of each market day. I understand my business is scheduled for a season. I agree that the market manager may adjust, limit, or increase the supply of the product(s) I offer for sale. I will provide the market manager a copy of my current Environmental Health Permit prior to commencing sales. I agree to post price signs for each product commencing sales on market day. My signature below demonstrates my agreement with the above and demonstrates my authority to agree to the terms above:
